

## Section 3.5.7 Outdoor Storage

### A) Residential Districts

#### 1) General Requirements

- a) Outdoor storage in residential districts shall be for residential purposes only, shall be permitted as an accessory use, and shall be limited to domestic equipment and normal supplies necessary for residents.
  - b) Domestic equipment shall include, but not be limited to, the following:
    - (i) Boats on trailers or supported in a safe, stable manner. All boats stored in residential districts shall have current registrations in the name of the homeowner or resident and all boat trailers shall have current registrations.
    - (ii) Recreational vehicles, including travel trailers, motor homes, accessory trailers, off-road vehicles, and motorcycles. All recreational vehicles and trailers must be in road-worthy condition and must have current registrations in the homeowner's or resident's name.
  - c) Domestic equipment shall exclude the following:
    - (i) Commercial trucks
    - (ii) Commercial trailers
    - (iii) Boats stored in an unsafe manner.
    - (iv) Heavy construction equipment including backhoes, bulldozers, tracked vehicles, etc.
    - (v) Abandoned or unserviceable vehicles or trailers
  - d) Storage in enclosed buildings shall be allowed without limitations.
  - e) Storage of boats, recreational vehicles, or trailers for any commercial purpose shall be prohibited.
  - f) On corner lots, the minimum setback for outdoor storage shall be 25 feet.
  - g) One recreational vehicle, travel trailer, or boat on trailer shall be allowed to be stored in the front yard, provided that it:
    - (i) Is either stored on pavement, or the yard where it is stored is maintained consistent with the rest of the yard, and
    - (ii) Is as nearly perpendicular to the frontage street as is practical, and
    - (iii) Does not block any sidewalk, and
    - (iv) Is at least 10 feet from the frontage street pavement.
  - h) Outdoor storage of boats, recreational vehicles, or trailers shall not be allowed in the front yard or any side yard located between the main building and any projections thereof and the front property line, except that one item may be stored in the front yard in accordance with Item g) above. Outdoor storage of these items shall be allowed at any other location on a residential lot, without requirement for setbacks from the property lines.
  - i) The allowable area for outdoor storage on small and large residential lots is shown on Figure D.
- 2) The maximum number of recreational vehicles, travel trailers, motor homes, boats, boats on trailers, or accessory trailers allowed to be stored on small residential lots (less than one acre) shall be three.
