Subject: Chamberlin closing

Good afternoon,

At the risk of inundating you with too much information, I'd like to make sure you received notice of detour changes during the Chamberlin railroad crossing closing. At the suggestion of our Marshal, Michael Colton, detour plans have been revised due to concerns about increased two-way traffic on our narrow Village roads.

Southbound traffic will progress **west on Yacht View Lane** to the gravel road east of the railroad tracks, then on to St. Lucie Lane.

Northbound traffic will travel **east on St. Lucie Lane** to North Indian River Drive.

There will be detour signs on the roadways, as well.

Regards,

Mary Fowler, Clerk
Town of Saint Lucie Village
772-466-6900
