

UPDATE – VILLAGE BOARD OF ADJUSTMENT

As previously posted, I will be asking the Board of Aldermen, at its regular meeting on August 20th at 6:30 p.m., to appoint a new member to the Board of Adjustment to replace a retiring member. The term, for which the appointment will be made, runs through April 30, 2027.

We had previously sought applicants and specified submittal before July 31. No applications were received by July 31, but one has been received since then. In case there are others interested in the position who would like to submit after July 31, the timeframe for submittals is reopened.

If anyone else is interested in the position, please let me know by email to **richard.neill@stlucievillagefl.gov** on or before Friday, August 9, 2024. Please also address why you want to serve in this position and describe any qualifications you would like to have considered.

Do note that any information emailed to me will most likely be public record.

Richard Neill
Town Attorney
Town of St. Lucie Village, Florida
